About ITS DC

Intelligent Transportation Society of the District of Columbia (ITS DC) is a non-profit organization with a mission to promote and enhance public safety and community welfare by fostering research and development of intelligent transportation systems in the National Capital. We work closely with the District Department of Transportation (DDOT), federal government partners, industry partners, and university-based research institutes in the promotion, planning, and deployment of advanced transportation technologies.

Our Mission

Intelligent Transportation Society of the District of Columbia (ITS DC) advocates for technologies to promote and enhance public safety and community welfare by fostering research and development of intelligent transportation systems in the National Capital Region.

Events

ITS DC organizes and holds various professional events for members to connect with the ITS community in the National Capital Region and learn about the latest advances in the industry. In the Annual Meeting, seminars, and workshops, members can exchange knowledge, ideas, and success stories on different ITS topics.

Become a Member

Membership Benefits
